

Hitler was a Rothschild?

Adolf (Rothschild) Hitler
(1889-1945).
Dictator of Germany
from 1933 to 1945

Alois (Rothschild) Hitler
(1837-1903).

Alois Hitler,
father of Adolf,
was the
illegitimate son
of Maria Anna
Schicklgruber
and Baron
Rothschild.

"There are some people who seriously doubt that Johann Georg Hiedler was the father of Alois. Thyssen and Koehler, for example, claim that Chancellor Dollfuss had ordered the Austrian police to conduct a thorough investigation into the Hitler family. As a result of this investigation a secret document was prepared that proved that Maria Anna Schicklgruber was living in Vienna at the time she conceived. **At that time she was employed as a servant in the home of Baron Rothschild. As soon as the family discovered her pregnancy she was sent back to her home in Spital where Alois was born.** If it is true that one of the Rothschilds is the real father of Alois Hitler, it would make Adolf a quarter Jew. According to these sources, Adolf Hitler knew of the existence of this document and the incriminating evidence it contained. In order to obtain it he precipitated events in Austria and initiated the assassination of Dollfuss. According to this story, he failed to obtain the document at that time since Dollfuss had secreted it and had told Schuschnigg of its whereabouts so that in the event of his death the independence of Austria would remain assured. Several stories of this general character are in circulation. (Langer, *The Mind of Adolf Hitler*, p.107)."

The super-rich families like the Rockefellers, Rothschilds and Roosevelts all intermarry and outsiders are not welcome. They believe that the U.S. should be an hereditary MONARCHY with *their* family members as kings and queens!!

Because of all their recessive genes, madness doesn't run in those families.....it gallops!!

Hitler and the Vatican Concordat

Archbishop Cesare Orsenigo, papal nuncio to Germany, talks with Hitler at a formal reception in Berlin in Jan. 1936.

The Vatican had a concordat with Nazi Germany which was signed in 1933.

Signing the Concordat is Cardinal Pacelli (later to become Pope Pius XII). By 1933, he was the Vatican Secretary of State. Seated second from his left is Franz von Papen who was the Papal Nuncio to Germany. Standing at the far right can be seen the little known Vatican prelate, Montini, later to become Pope Paul VI.

Hitler and the Pope had a secret agreement: The Pope would give Hitler ALL the support he needed in the conquest of Russia and Hitler would divide Italy once again and give back the Papal States to the Pope.

Hitler never realized that he was fighting God ALMIGHTY HIMSELF....With the defeat of Hitler, many of the top Nazis escaped to the U.S. and carried on the war against Russia under the disguise of fighting communism.

There you have it . . . Adolf left Vienna and went to Munich for one reason: to avoid the draft. . . . The man who sent millions to their deaths' in combat was a draft dodger. Hitler's roommate during his Vienna days was Gustl Kubizek. He said that Hitler never read a book, never went to the library and his sketches were awful!! How then came he to write a book entitled *Mein Kampf* which became a bestseller?

Mein Kampf was ghost-written by a Jesuit priest named Father Staempfle.¹ Hitler the dunce was the tool of much more cunning men. . . . Hitler had only one talent: he was a good public speaker and knew how to harangue the masses. As the son of a Civil Servant, Hitler could have obtained a good job in Vienna had he been inclined to work.

Warrant for Hitler's arrest as a draft dodger in Austria

INVESTIGATION SHEET

Name: Adolf Hietler (sic).

Lot Number 163.

Year of Birth: 20.4.1889.

Parents: Alois and Klara Pölzl.

Parish of Domicile: III-298 Linz.

Other Particulars: Aunt Joanna Pölzl,, independent, Urfahr, Blutengsse 9.

Steps taken to apprehend the deserter: None as yet.

On 22nd August Detective Officer Zauder of the Linz. Municipal Police reported:

"Adolf Hietler does not appear in police records here or in Urfahr, and investigations elsewhere have failed to reveal his address."

The first thing that Hitler did when he invaded Austria was to find and confiscate his draft records. That was probably the main reason why he invaded his homeland!!

Interesting Notes

Realizing that he was a Rothschild, we can understand why Hitler the dunce could come out of nowhere and become Chancellor of Germany.

Hitler's sister Paula was mentally retarded . . . but she still had more brains than her brother!!

The other son of Hitler's father, Alois, left the family in 1896 and went to work in Paris as a waiter. Called the "black sheep" of the family. Disinherited, i.e. received only the legal minimum of his inheritance. He married an Irish girl and had a son named William Patrick Hitler. . . . Alois had no relations with Adolf, the political leader.
